INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

NATIONAL ARCHIVES MICROFILM PUBLICATIONS

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Madam:

Replying to your letter of October 26, 1909, you are advised that it is impossible for me at this time to state when the Eastern Cherokee fund will be distributed.

However, the money cannot be paid out for some time yet, as there have been a large number of exceptions filed to my report, and until these are considered and passed on and the roll finally approved by the Court no money can be paid.

The exact amount each claimant will receive cannot be determined until the roll has been approved and the exact number of those entitled is ascertained. However, each person enrolled will probably not receive over \$135.

Relative to your application #26011 for minor child to share in the distribution of the Eastern Cherokee Fund, kindly state why the names of the ancestors of this child who were living in 1835 and 1851 do not appear on the rolls of those dates. Was Henry Reed or his father or mother ever held as a slave? If so, were they owned by white people or Indians?

Kindly trace the source of the Cherokee descent of your child, giving the English and Indian name of each ancestor and stating the degree of Cherokee blood each possesses.

Madam:-

Relative to your application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, kindly state through which of your parents you claim your Cherokee descent. Also state why their names and those of your grandparents do not appear on the Cherokee rolls of 1835 and 1851.

We note that you state that you think you were enrolled for land when a small child. At what time do you claim this was, and for what purpose was the roll made?

Kindly trace the source of your Cherokee ancestry as far back as you possibly can, giving the Indian and English names of each ancestor and stating the degree of Cherokee blood each possessed.

Was either of your parents ever held as a slave? If so, state whether they were owned by white people or Indians.

Very respectfully,

Guion Miller
Special Commissioner.

State of Tennessee } Personally appeared

Public, within and for
the County aforesaid, legally authorized
to administer oaths: Martha Lynn, who
being duly sworn by me, makes the following
statement, relative to her application for par-
ticipation, in the fund in favor of the Eastern
Cherokees: Affiant states, that her parents
or grand parents were not enrolled
at any of the dates mentioned, claimant don't
know, the reason, unless, it was a fact, that they
didn't know anything about such enrollment
being made, and then, as affiant is informed
there was a prevailing opinion among the
native Eastern Cherokees, that if they did enroll
that they would be forced to leave their native
country, and go some where west. and a great
number of the indians didn't want to leave
their native country, and kept out of
the way of enrollment. If claimant was
enrolled for land, as stated in her original appli-
cation, it must have been, 1865 or 1866.
some where about those dates, but claimant was
too young to take notice of the date that it
occurred, and all her information ^{on this subject} from
was obtained ^{from} her mother on this subject, and her grandmother
Betsie Turner or Betsie Dawson. and grand mother

Dawson informed Claimant, that
Claimants' mother was $\frac{1}{4}$ Cherokee blood.
They are both dead. Claimant states
emphatically that none of her ancestors
were slaves, either of white people or
Indians. Claimants grandmother who
is herein before named, was recognized
by her neighbors, as being of Cherokee descent
and at least $\frac{1}{2}$ Cherokee blood, and this
is what Claimant bases her claim on, and
believes she can prove beyond a doubt.

Madam:-

Relative to your application for participation in the fund arising from the judgment of the Court on behalf of the Eastern Cherokees, kindly state why the name of your father and those of your grandparents on his side do not appear on the rolls of 1835 and 1851.

Please furnish us with the full history of your Cherokee ancestors, stating what part, if any, they took in the Cherokee councils.

Was your father or either of your grandparents on his side ever held as a slave? If so, were they owned by white people or Indians?

Give all the other information you can as you think you are entitled to have in this application.

Very respectfully,

Special Commissioner.

(The State of Alabama) This day personally
Jackson County } appeared before
me a Notary Public
in and for said County and State
duly authorized to administer
oaths Dora Buloway who being
duly sworn according to law
upon her oath says - she is thirty
seven years old - a resident of
Scottsboro in said County and
State, that she gets her Cherokee
blood from her mother, who
was of Indian, and affiant's grand
mother was a full blood, affiant's
mother's name was Francis
McCauley, and affiant does not
know her grand mother's name
through whom she claims, It is
impossible to go further back as
to names of her people - that several
years ago, when affiant was small
girl her mother went to Simsbury
in this County, to meet as a
agent or some one in regard
to her Indian connection but
affiant does not know what
was done, and does not know why
her mother's name is not on
the roll of Indians, or that of her
grandparents - My father was
a slave, but my mother was
not a slave, My father was owned

1 by white people - and was found
2 by the late war between the states

Nise.

Emmett J. Starr, --- being duly sworn, deposes and says:

My name is Emmett Starr. I am 19 years of age. I know Susie Ross. She claims Cherokee blood, was born and raised in Illinois District and has never affiliated with any other tribe, and has been on all the rolls ever since her birth, and that she is a Cherokee allottee. Her mother was Cynthia Ross; Hair before marriage. Susie Ross' brothers and sisters are: Joshua Ross, dec'd and Eliza Ross, dec'd, Elizabeth Stephens, Annie J. Ross, dec'd, Margaret Hartman, nee Ross, dec'd, Emma Ross, dec'd, and Annie Ross. They were the children of Cynthia Ross, nee Hair, and the grandchildren of James Hair, whose three wives were: Sarah Hair, nee Davis, Susie Reese nee Davis, and Nellie Hair, nee Robinson. I don't know which of these three were the grandmother of Susie Ross. Their grandfather James Hair was a brother of Elizabeth Hopkins, Susie Littlejohn, Jefferson Hair, Dianna Robinson, John Hair, Annie Hair, Mary Henry, Willie Ashworth, Ollie Vann and Eliza Deer-in-the-water. These people were all residents of the Cherokee nation, between 1839 and 1861. Susie Ross' great-grandparents were: Hair and Elvina Conrad, nee Teece. Her great-grandfather Hair Conrad was a member of the Constitutional Convention from the Am-mo-see District in 1827. He was one of the negotiators between the United States Government and the Cherokee Indians in 1837. He was Capt. of a detachment of Emigrant Cherokees in 1838 and 1839. He was a signer of the Cherokee Constitution of 1845. He was elected a member of Council from the Am-mo-see District August 7, 1843, and died Nov. 8, 1844. Hair Conrad was the son of a white man named Conrad and a Cherokee woman named Anna. This couple were the parents of five children, the eldest of whom was Littlejohn Conrad, the second Hair Conrad, the third Young-Wolf Conrad, the fourth sister, named Katie, whose first husband was Alexander Brown, second husband Archibald Field and third husband John Tenney. The fifth of the Conrad's brothers and sisters was Terrapinhead Conrad. All of Littlejohn's descent were called Littlejohn, all of Hair Conrad's descent were called Hair, all of Young-Wolf's descent were called Wolf, and all of Terrapinhead Conrad's descent were called Terrapin with the exception of his youngest son and his descendants, who were called Conrad.

Sir:-

Relative to your application for participation in the fund arising from the judgment of the Court of Claims in favor of the Western Shoshones, kindly state whether or not you claim any Cherokee descent and ever through your father. If so, set out the source of the same.

Also state why the name of your mother and those of your grand parents on her side, do not appear on the rolls of 1835 and 1851. Was either of your parents ever held as a slave? If so, were they owned by Indians or white people?

We note that you state that both of your parents are living. Why have they not made application to share in this fund? Will you inform us of the reason for their present silence?

Dear Sir : -

In reply to yours of the Feb 25th , will advise as follows:-

I do not know why my grand parents was not enrolled, as part Cherokee Indians.
Neither do I know why my parents was enrolled as part Cherokee Indians.

I did file a petition for enrollment some 12 or 14 years ago through my mother
with Col Watt Harris of Cartersville G a.

No one of my ancestors was held as slaves that I am aware of as we are of the
Anglo-saxon race mixed with Cherokee Indians,
I claim through to be entitled to enrollment through Nancy Tally my Great Grand-
mother, is where I claim my Indian Blood; Nancy Tally married Stokes Pinyan her
William Pinyan is my mothers father . who died 18 years ago I don't know whether
he was ever enrolled or not from the fact that I am not old enough to know about
this.

Yours Very Truly

Amanda Sidney

EXCEPTION TO THE RULING OF SPECIAL COMMISSIONER, GUION MILLER, in the Matter of the rejection of the Application of Berry Talkingstick, Application No. 26057, for Participation in the Fund Arising from the Judgment of the Court of Claims of May 28, 1906, in Favor of the Eastern Cherokees.

Comes now your petitioner, Berry Talkingstick, and most respectfully represents to the court as follows:

That heretofore this petitioner made application for participation in the fund arising from the judgment of the Court of Claims of May 28, 1906, in favor of the Eastern Cherokees, which said application was duly filed in the manner and requirements of the law and rules and regulations in connection therewith.

That said application of this petitioner for such participation was No. 26057, which said application was duly acted and passed upon by Guion Miller, Special Commissioner, and under date of June 10, 1909 this petitioner received notice from the said Guion Miller as such Special Commissioner, notifying this petitioner of his action in rejecting application of petitioner for participation in the fund arising from the judgment of the Court of Claims of May 28, 1906 in favor of the Eastern Cherokees; which said notice advised petitioner of an order entered herein by this court on the 10th day of June, 1909, allowing claimants whose claims for participation in such funds had been rejected by the Special Commissioner, under certain terms and conditions as therein set forth, to prepare and file with the clerk of this court a written exception on or before the 30th day of August, 1909, to the ruling of the Special Commissioner in the rejection of their respective claims.

And now on this the 14th day of July, 1909, before the 30th day of August, 1909 and within the time allowed by said order of this court entered herein on the 10th day of June, 1909, this petitioner files this his exception to the ruling of the said Guion Miller as such Special Commissioner in rejecting the application of this petitioner for participation in the fund arising from the judgment of this court in favor of the Eastern Cherokees as above set forth.

This petitioner would further show to the court that the name of this petitioner is Berry Walkingstick and that his age is 65 years and his post office address is Chelsea, Oklahoma. Petitioner further states that he claims the right to participate in the fund as above set forth and the right to be placed on the roll of Eastern Cherokees by virtue of the Indian blood of his grandfather and in substantiation of such claim sets forth:

That the name of the grandfather through whom this petitioner claims was James Walkingstick in English and James Walkingstick in Cherokee, that the age of such ancestor in 1851 was fifty one years and thirty five years of age in 1835 and petitioner's grandmother's name was Annie Walkingstick in English and Annie Walkingstick in Cherokee, and her age in 1851 was forty nine years and in 1835 she was thirty three years of age.

That the said James Walkingstick, grandfather of this petitioner had five sons named respectively Sam Walkingstick, Ezekiel Walkingstick, Wilson Walkingstick, Ben Walkingstick and John Walkingstick, all of whom were known as "old settlers". That Sam Walkingstick one of the five sons of James Walkingstick was father of this petitioner.

Wherefore, petitioner prays that the ruling of the Special Commissioner Guion Miller, in rejecting the application of this claimant for participation in the fund arising from the judgment of the Court of Claims of May 28, 1906, in favor of the Eastern Cherokees, be rejected and that the name of this petitioner be ordered to be placed on the final roll of Eastern Cherokees with all the rights and privileges appurtenant thereto and that he be allowed to participate in such fund so arising from said judgment.

Dated at Chelsea, Oklahoma this 14th day of July, 1909.

Berry Walkingstick
Petitioner.

State of Oklahoma, ss,
County of Rogers.

Before me the undersigned notary public in and for said county and state, duly commissioned and acting as such, on this 14th day of July, 1909 personally appeared Berry Walkingstick, who first being duly sworn by me deposed and states on oath that he has read the above and foregoing petition and knows the contents thereof to be true and correct.

Sworn and subscribed to before me this 14th day of July, 1909.

EXCEPTION TO THE RULING OF SPECIAL COMMISSIONER, GUION MILLER, in the Matter of the rejection of the Application of Berry Talkingstick, Application No. 26057, for Participation in the Fund Arising from the Judgment of the Court of Claims of May 28, 1906, in Favor of the Eastern Cherokees.

Comes now your petitioner, Berry Talkingstick, and most respectfully represents to the court as follows:

That heretofore this petitioner made application for participation in the fund arising from the judgment of the Court of Claims of May 28, 1906, in favor of the Eastern Cherokees, which said application was duly filed in the manner and requirements of the law and rules and regulations in connection therewith.

That said application of this petitioner for such participation was No. 26057, which said application was duly acted and passed upon by Guion Miller, Special Commissioner, and under date of June 10, 1909 this petitioner received notice from the said Guion Miller as such Special Commissioner, notifying this petitioner of his action in rejecting application of petitioner for participation in the fund arising from the judgment of the Court of Claims of May 28, 1906 in favor of the Eastern Cherokees; which said notice advised petitioner of an order entered herein by this court on the 10th day of June, 1909, allowing claimants whose claims for participation in such funds had been rejected by the Special Commissioner, under certain terms and conditions as therein set forth, to prepare and file with the clerk of this court a written exception on or before the 30th day of August, 1909, to the ruling of the Special Commissioner in the rejection of their respective claims.

And now on this the 14th day of July, 1909, before the 30th day of August, 1909 and within the time allowed by said order of this court entered herein on the 10th day of June, 1909, this petitioner files this his exception to the ruling of the said Guion Miller as such Special Commissioner in rejecting the application of this petitioner for participation in the fund arising from the judgment of this court in favor of the Eastern Cherokees as above set forth.

This petitioner would further show to the court that the name of this petitioner is Berry Walkingstick and that his age is 65 years and his post office address is Chelsea, Oklahoma. Petitioner further states that he claims the right to participate in the fund as a above set forth and the right to be placed on the roll of Eastern Cherokees by virtue of the Indian blood of his grandfather and in substantiation of such claim set forth:

That the name of the grandfather through whom this petitioner claims was James Walkingstick in English and James Walkingstick in Cherokee, that the age of such ancestor in 1851 was fifty one years and thirty five years of age in 1835 and petitioner's grandmother's name was Annie Walkingstick in English and Annie Walkingstick in Cherokee, and her age in 1851 was forty nine years and in 1835 she was thirty three years of age.

That the said James Walkingstick, grandfather of this petitioner had five sons named respectively Sam Walkingstick, Ezekiel Walkingstick, Wilson Walkingstick, Ben Walkingstick and John Walkingstick, all of whom were known as "old settlers". That Sam Walkingstick one of the five sons of James Walkingstick was father of this petitioner.

Wherefore, petitioner prays that the ruling of the Special Commissioner Guion Miller, in rejecting the application of this claimant for participation in the fund arising from the judgment of the Court of Claims of May 28, 1906, in favor of the Eastern Cherokees, be rejected and that the name of this petitioner be ordered to be placed on the final roll of Eastern Cherokees with all the rights and privileges appurtenant thereto and that he be allowed to participate in such fund so arising from said judgment.

Dated at Chelsea, Oklahoma this 14th day of July, 1909.

Berry Walkingstick, -- being duly enrolled, deposes and says:

My name is Berry Walkingstick. My age is about 65 years. I live in this District; have been here 24 years; came from Tennessee. I think I was born in Tennessee, Ducktown. I was not enrolled with the Dawes Commission, but was told that I would be. I never got the bread or strip money. I get my blood from my father Sam Walkingstick. He did not have a nick name. I do not know how long he has been dead. I can't say whether he had any brothers and sisters, but it seems to me that there was one named Simon. I do not know whether he was enrolled. I do not know of any reason for his not being enrolled. I do not know where he got his blood from. My mother had Indian blood. I don't know whether she was ever enrolled. I do not know the names of my grandparents on my mother's side. I do not know whether they were parties to the treatie of 1835-6 or 1846. I do not know whether they ever associated with any other tribe. I have some half-brothers. They were not enrolled. I do not know any of my mother's brothers and sisters.

COURT OF CLAIMS
EASTERN CHEROKEES.
Rec. MAR 19 1910
No. 26057

Chelsea, Okla. March 16, 1910.

Mr Guion Miller,

Washington, D.C.

Dear sir:-

Kindly advise me what action was taken by you in the matter of my exception to your report in rejecting my application for participation in the judgment of the Court of Claims in favor of the Eastern Cherokees, the original application being No. 26057. My claim was rejected in your first report to the Court of Claims and in pursuance to the order of that court I filed an objection setting up the names of my grandparents etc. in full compliance with the order and as I thought amply sufficient to show my heirship and Cherokee blood. If you failed to include my name among those entitled to participate in your supplemental report, will you be so kind as to advise me wherein I failed to substantiate my claim and right to participation and the reasons why my name was not included.

I am sadly disappointed at the result of this application for I know I am fully entitled to receive my pro rata share of these funds and had thought that I had fully complied with the requirements of both the regulations in the premises and the order of the Court of Claims.

Awaiting your early and favorable reply, I remain,

Yours very truly,

Wm. H. Miller

Replying to your letter of March 16, 1910, you are advised that your claim for participation in the Eastern Cherokee Fund was rejected for the reason that your father, through whom claim was made, was an Old Settler, and you would therefore not be entitled.

Taylor Buck, legal guardian of Buck Ellick, a minor,
desires me to advise you, in reply to your letter dated
January 7, 1909, that his ward is alive at the present time,
and is living with his guardian. He was not enrolled by the
Dawes Commission, having been through some cause overlooked.
Both the father and mother of Buck Ellick are dead. Buck
Ellick is a full-blood Cherokee Indian, and I have reported
his case to the Assistant Attorney General for the Interior
Department, Joseph Howell, and it is possible that some
relief may through his instrumentality be afforded this boy
who is without doubt entitled to enrollment.

That I am 28 years of age. My father was a full blood Cherokee. My mother was a white woman. My father was born along about 1854 or 1855. Redbird Mc Daniel and Polly Mc Daniel, nee Suey-killer were my grandparents on my father's side. Don't know whether they were living together in 1851 or not. Think they were not old Settlers. Some 20 or 30 years ago Redbird and Polly lived in the Illinois District. Don't know where they lived before that - it was probably in Flint District. Redbird's Indian name was Taw-ju-wah. James Mc Daniel (3966) is my full brother. Alex Suey-killer was a brother to Polly. I am on the Dawes Commission roll #5418. My father had a sister named Sarah Mc Daniel. Levi Keys, John and Glover Thornton were half brothers to my father on his mother's side. They were younger than my father. My grandmother, Polly, married Keys and Thornton after her marriage to Mc Daniel. Polly had a brother named Peach-eater. ~~Redbird's Indian name was Taw-ju-wah~~

Hon. Guion Miller, Spl. Com'r,
Court of Claims,
Washington, D. C.

Sir:

Replying to your letter of the 25th inst., relative to my application to participate in the Eastern Cherokee Claim, you are informed that my mother, Tah-tie-e, had one other husband, named Esk-ki-ya-stah. I know of her having two brothers, Gist-ky and Ko-lone-o-ask-ky, but no sisters. My father, Jackson, did not have any first name that I know of, and, while my father was part Cherokee and part French by blood, I do not claim through him, but through my mother.

I am now affiliated with the Wichita and Affiliated Bands of Oklahoma, and have received annuities, cash and rations as a member of said bands, also an allotment of land. My mother was affiliated with the Cherokee Indians of Indian Territory and lived near Cherokee Town on the Washita Rivier in said Territory.

I have heard my mother say that she or ~~her~~ ^{my} grandparents participated in a large payment, supposed to be the Old Settler payment. I do not know where nor when this payment took place.

Very respectfully,

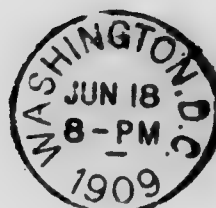

CLB

My name is Samuel Reese Ryder.
I claim Cherokee Indian blood through my father and mother both. Through my father's mother, and ~~xx~~ I don't know whether it comes through my mother's father or mother. My father died in 1900 and was between 65 and 70 years old when he died. My mother died in 1895 and was 60 odd years old when she died. My father and mother were born in N. C. I don't know what race. My grandmother on my father's side was born and raised in N. C. My father and mother and grandparents ~~xxxxxx~~ never received any money or land from the Govt. on account of their Indian blood. I never heard of them being enrolled. I don't know whether my father and mother and grandparents were recognized as white people or Indians where they lived. They just claimed to have Indian blood. They lived with the white people in N. C. I have heard my father talk about being with the Indians in N. C. My grandmother was a quarter-breed Indian. In 1882 I was living in Lumpkin Co. with my father and mother. I don't know why my parents and I were not enrolled at that time. I have heard my father talk of a Treaty in 1825. I don't remember what he said about it. I have heard him talk about the Indians being driven away from this country. I think my father and mother and grandparents were living in N. C. when the Indians were driven away. I guess they did not have Indian enough in them to be driven away with them. I never heard my father say why they were not driven away.

March 26, 1908.

McGinnis Coldwell,
Track Rock, Ga.,

Sir:-

In reference to application #26107 filed by you as guardian of Claud Thomas, for participation in the Eastern Cherokee Fund, I desire to advise you that the information given in the application is not full enough for us to form a basis of inquiry into its merits.

Do you claim Cherokee blood through both of Claud Thomas' parents? Kindly give a full history of all his Cherokee ancestors through whom he claims descent, giving the full Indian and English names of each one, and if any of them were enrolled on the rolls of 1835 and 1851, give their names. If they have not been enrolled, explain why.

Were any of his ancestors ever held as slaves? If so, state whether they were owned by white people or Indians.

Give all the information you can tending to establish your right to participate in this fund.

Very respectfully,

Special Commissioner.

Testimony in case of Claude Thomas, minor 26127

Appl. 26127

McGinniss Caldwell being first duly sworn, deposes and says:

My name is McGinniss Caldwell. I live at Track Rock, Union Co., Ga. I am the legal guardian of Claude Thomas. His parents are both dead. He claims Indian blood through his great grandfather, John Morrison, on his father's side. Claude Thomas claims through his father, and his mother and her father. Claude's father, Virgil Thomas, died in 1901 and was about 75 years old. He was born in Towns Co., Ga. Virgil Thomas' mother was Sallie Thomas, nee Morrison. I think she was born in N. C. I think John Morrison was born and raised in Union Co., N. C. ~~xxxxxx~~ Claude Thomas' father, grandmother, and great grandfather were recognized as white people. John Morrison died in Towns Co., Ga. He did not go out West. When the Indians were carried out two of John Morrison's sons went out west. I don't know where John Morrison was living when the Indians were carried away from this country. He always called John Morrison an Indian because he could mimic one. I don't think any of Claude's ancestors ever got any money or land from the Govt. on account of their Indian blood. Claude has an aunt, Coroline Stewman, who has filed an application #18494.

No.

F.D.R.
Georgia-Union county.

Personally appeared before the undersigned, an officer authorized by law to administer oaths

who being duly sworn says: That his claim for participation in the Cherokee Indian fund is based upon the fact that his Grandfather *John* Morrison was a Cherokee Indian. Deponent claims through this side only. The Indian name and English name were the same so far as deponent is informed, and was *John* Morrison.

I do not know whether Morrison was ever enrolled or not but am informed that by neglect and ignorance they never were enrolled.

Deponent is not informed as to whether any of his ancestors were ever held as slaves or not.

Deponent's Indian ancestry on his grand father's side is well known to many and he has always claimed to be part Cherokee. The number of his claim is #26107.

App. No. 26121.

February 5, 1908.

Honorable W. C. Adamson,
House of Representatives,
Washington, D. C.

Sir:-

I have the honor to acknowledge receipt of your communication of recent date, inclosing a letter from Mr. J. B. Sewell, of Carrollton, Georgia, relative to the application of Lyda A. Sewell for participation in the Eastern Cherokee fund.

In reply you are advised that this application has not been reached for final consideration and we cannot state at this time whether she is entitled to share in this fund, or the amount each successful claimant will receive.

As there are over 44,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated. In many cases where the applications and other proof are insufficient it will be necessary to take testimony in the field, after which the roll will be submitted to the Court of Claims for its approval, and time will be allowed for the filing of exceptions. If many exceptions should be filed a further investigation may be required until the Court

#2--Hon. W. C. Adamson:

has disposed of these exceptions and the final roll has been approved by the Court no money can be distributed.

Mrs. Sewell's application will be taken up for consideration in its regular order, and if any further information is required in connection with the same she will be duly notified.

Mr. Sewell's letter is returned, herewith.

Very respectfully,

Chief Clerk.

~~Alvin~~, N. C.

Sir:-

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why your name does not appear on the Cherokee roll of 1851, and why those of your ancestors through whom you claim your Cherokee descent and who were living in 1835 and 1851 do not appear on the rolls of those dates.

Which of your parents do you claim possessed Cherokee blood? If you wish your application to be further considered it will be necessary for you to furnish us additional information, giving us the names of your grandparents and the history of all of your ancestors as far back as you can go, through whom you claim your Cherokee descent.

Were you ever held as a slave? Was either of your parents so held? If so, what were the circumstances under which you were owned by white people or Indians.

Yours respectfully,
